

# LOCAL PROGRAM FACILITATORS 2024

## ABOUT INSIGHT

Insight Global Education is a Vancouver-based social enterprise that designs and facilitates unique educational programming for students. Through our Connecting Classrooms to Communities initiative, Insight delivers educational experiences that enable high school and middle school students to meaningfully connect and collaborate with Vancouver-based nonprofits and social enterprises that are working in a variety of fields to support social and environmental justice initiatives. To learn more about our **Connecting Classrooms to Communities** program, please [CLICK HERE](#).

## POSITION SUMMARY

Local Program Facilitators support the implementation of our Connecting Classrooms to Communities programs for middle and secondary school students at one of Insight's partner schools. Framed around the Sustainable Development Goals, this program provides engaging community-based learning opportunities that promote global citizenship. In small cohorts, facilitators will lead students through engaging experiences in partnership with some of our 50+ Vancouver-area nonprofits, social enterprises, and activists.

Our facilitator opportunities are best suited for those with experience leading teenagers or young adults, as well as those who thrive in leadership environments and are keen to work with youth. The right candidate will be a creative problem solver who is excited about empowering youth through immersive learning experiences.

## POSITION DETAILS

### Contract Local Facilitator - 2023

Program 1: Design + Communities	Program Details
Program Dates (must be available for all)	Jan 25 - 12:00pm - 3:30pm Feb 29 - 12:00pm - 3:30pm April 11 8:30am - 3:30pm May 9th - 12:00pm - 3:30pm

Themes	Sustainable Development Goals

## KEY RESPONSIBILITIES

Facilitation is about finding a balance between inspiring change through interactive and fun activities, and fostering critical thinking through meaningful debrief and reflection. As a part of the High School Programs team, you'll collaborate with colleagues on programs designed to educate students on a variety of issues. Key responsibilities include:

- Lead the facilitation of Insight's local programming through engaging activities and thought-provoking debrief sessions;
- Connect and coordinate with community partners that are supporting program delivery to ensure a positive student/chaperone experience;
- Communicate effectively and foster a positive relationship with the teacher chaperones assigned to your cohort, other facilitators and the High School Programs team leaders;
- Ensure the safety and supervision of students at all times;
- Additional projects that contribute to the success of our local programs as needed.

## ROLE REQUIREMENTS

- Genuine passion for working with youth, to engage community, to work as a bridge builder, and to embrace experience-based learning!
- Experience working with youth in a leadership/facilitator role
- Experience with program development and coordination (conference or event planning)
- Confident speaking in front of, and engaging with, large groups of people
- Self-motivated with a knack for problem solving
- An understanding of topics within one or more of the Sustainable Development Goals program themes (Environmental Sustainability, Reduced Inequalities, Health & Well-Being, Food Security, Poverty Reduction, Diversity, Equity & Inclusion)

**Preference may be given to candidates with backgrounds in the following areas of study:**

- |                                     |  |
|-------------------------------------|--|
| • Education / Teacher Candidates    | • Indigenous Studies                       |
| • International Development         | • Health / Public Health                   |
| • Political Science / Public Policy | • Gender / Women's Studies                 |
| • Environmental Studies / Sciences  | • Additional areas of study where relevant |
| • Geography / Earth Sciences        |  |
| • Peace and Conflict Studies        |  |

### COVID-19

The safety of our staff, students and community partners is our highest priority. As such, all programs will comply with the most up to date Covid-19 guidelines. Please note that based on provincial guidelines, those working within school settings must be fully vaccinated against COVID-19. Insight will confirm your vaccination status prior to start date.

### APPLICATION SUBMISSION

To apply, please submit a **resume** in PDF format to Alicia Breck, ([alicia@insightglobaleducation.com](mailto:alicia@insightglobaleducation.com)). For questions or more information, please email us.
